# BANQUETS

*Thanks for considering us at La Campana. We hope we will be able to accommodate your event and make it a memorable one.*

## Menu Planning

For in-house banquet events we suggest you start by taking a look at our menu which you can view on our website: [campanarestaurants.com](http://campanarestaurants.com). Choose 3-5 items from the dinner menu. Please no combination platters. From there we can, together, create a menu for your event. Your guests will be able to select one of the dinners we have chosen on your event menu. The dinners are served as described in the menu and the cost is listed as well. Chips with hot and mild salsa is included with all events.

Another very popular option is serving fajitas. No menu is needed. We simply inform the guests we will be serving fajitas. They will have a choice of steak, chicken, shrimp or vegetarian.

**\$14 per person.**

### Soda package-

Unlimited soda, juice, tea, coffee and dessert (bunuelos, Mexican cinnamon cookies). This package is an additional **\$3 per person**.

If you plan to bring dessert, know that there is a \$20 outside dessert fee. This fee includes storage and cutting of cake, and we will cut, plate and serve it for you. Your dessert may NOT be homemade. Store or bakery bought is permissible and accepted by the DuPage County Health Department.

**“Cash Bar”** - guests are responsible to pay for their drinks.

**“Open Bar with a Cap Limit”** - guests can order what they like and we keep a tab when it hits your limit you may then choose to close the tab or extend it.

**Our most popular — “Limited Menu with a Cap Limit”** - We suggest sangria, margaritas, and dos Equis Mexican beer. These three are served in half pitchers.
